## **INFORMATION ON THE ACCEPTANCE OF THE POWER-OF-ATTORNEY**

The Company is entitled to ascertain the identities of the Debtor or, in the given case: Mandant and the Proxy, at any time the Company so pleases.

**Main rule:** The power-of-attorney is valid only if all columns are filled in. For the event that a power-of-attorney is incomplete, the Company reserves the right to ask it to be remedied and as long as it shall not have obtained the power-of-attorney properly filled refuse to accept the representative powers of the Proxy. Only original copies of the power-of-attorney can be accepted. They can be submitted personally or by dispatching them by the postal service, addressed as shown in the heading.

**General powers:** the authorization extends to making any verbal or written representation in connection with the registered debt, e.g., for undertaking the obligation to the account of the Mandant, to enter into a contract for paying by instalments, lodging complaints, etc.

**Specific powers:** the powers under which the Proxy can proceed must be determined and worded accurately. In the event that the wording of the Proxy's powers-of-attorney is not accurate or unambiguous, to avoid incidental disputes or misunderstandings, our Company reserves the right to have the power-of-attorney pending until the problematic issues are clarified.

A document issued abroad: Creditforte Kft. may ask it to be certified and have it translated by the Hungarian National Bureau for Translations and Attestations (Országos Fordító és Fordításhitelesítő Iroda) (or some other approved translation bureaus), or a notary public.

**Expiry of the term of the power-of-attorney:** when the power of attorney is for a definite term, following the elapse thereof the personal data of the Proxy shall be erased. If the power-of-attorney provides general powers then it shall be deemed effective until the end of the case management period and, thereafter, the data shall be erased from our records.
